## THE WAR CLOUD

Active Preparation for Defense  
of Old Strawberry Bank.

Pythians Offer Their Services and a  
Naval Battalion Being Formed.

Portsmouth has been struck hard by the  
war fever and in case of hostilities be-  
tween this country and Spain, the United  
States government will find the citizens  
of Old Strawberry Bank among the first  
to use in defense of the flag.

The article in last evening's HERALD in  
regard to the fact that a Naval Battalion  
was being formed here was the talk  
of the town. The news was sooted by a  
number of people who, on account of the  
affair being kept so quiet had no idea  
what was going on.

Nevertheless it is a fact and the pro-  
moters have been in communication with  
secretary John D. Long and Lieutenant  
Gibbons for the past three weeks and they  
have not only sanctioned the step taken but  
will give all the aid and help in their power.

The plan now is to form what will be  
known as the New Hampshire Naval Re-  
serve which will consist of four divisions,  
each division being made up of seventy-  
two men including officers. Two of these  
divisions will be organized and have head-  
quarters in this city while the other two  
will in all probability be organized in  
Manchester.

The uniform will be the regulation naval  
uniform, slightly modified, and the men  
will be armed with the new 30 calibre  
naval rifle. Of the two divisions formed  
in this city one will be made up wholly by  
naval men, sailors, boatmen and me-  
chanics, while the other will be composed  
of Portsmouth's most influential citizens. It  
is the intention to consult and have Rear  
Admiral Charles C. Carpenter, (retired)  
direct all naval maneuvers.

The promoters have already the names  
of over 160 men in this city who have sig-  
nified their willingness in joining the pre-  
posed organization and could without the  
least doubt find as many more if needed.

In case of war the Naval Reserve will  
be called upon to man the fortifications  
along this coast, plant torpedoes and  
mine, so as to protect our harbor and navy  
yard from an invasion by the enemy,  
and defend our city from being shelled  
by any foreign fleet. Eastman's Naval  
Reserve band have tendered their services  
to the promoters and will be a valuable  
acquisition. The plans have reached such  
a stage that definite action will, in all  
probabilities, be reached inside of a week.

The first active step of any New Hamp-  
shire organization towards offering aid in  
case of war with Spain, was taken Friday  
by the New Hampshire Brigade, Uni-  
formed Rank, Knights of Pythias.

At a meeting held at Dover definite  
action was taken, and the brigade sent  
word to Washington tenting its services  
to the government in case of trouble, and  
asking to be placed in active service in  
such an event. The New Hampshire  
brigade is under command of Brig.-Gen.  
C. B. Hoyt of this city, and numbers  
about a thousand men.

There are two regiments in this State,  
with seventeen full companies. The Ten-  
nessee and the West Virginia brigades  
have also tendered their services with  
nearly 5000 men.

The meeting yesterday at Dover was  
called for the purpose of electing a lieu-  
tenant-colonel to succeed Lieutenant-Col-  
onel Griffith, who had been promoted to  
the position of inspector upon the staff of  
Brigadier General Hoyt. Capt. F. H.  
Dargis of Newmarket was unanimously  
elected to fill the vacancy.

**Probate Court.**

The following was a part of the busi-  
ness transacted at the session of the prob-  
ate court for Rockingham:  
Wills Proved.—Of Charles A. Smith,  
Seabrook, Eather J. Smith, executor.  
Administration Granted.—In estate of  
John F. Twombly, Seabrook, Zulpha A.  
Twombly, administratrix.  
License Returned.—For sale of real  
property, estate of Annie E. Morris, Port-  
smouth.

**After a Fog**

Police Officer Stevens of Dover was in  
town again yesterday and accompanied by  
Assistant Marshal West, went to York  
village in search of the valuable dog be-  
longing to ex-Governor Sawyer which has  
been missing for over a week past. It  
was reported that the animal was seen at  
a farm house in York, but on investigation  
the officers found another dog also  
going.

## SEVEN TO ONE

Board of Mayor and Aldermen Voted  
for Electric Road

The special meeting of the board of  
mayor and aldermen was held in the city  
rooms this afternoon. A large crowd of  
interested spectators were present, and  
when the meeting was called to order it  
was with difficulty that admittance could  
be gained into the council or aldermanic  
chamber. The full board, with the ex-  
ception of Alderman Marston, was pre-  
sent.

A communication was presented by  
Judge Page for the P. and D. R. R. stat-  
ing inasmuch as Ald. Newick had moved  
from ward three into ward two that he  
therefore had forfeited his right to vote in  
exercising the rights of an alderman and as  
information in the nature of a quo war-  
ranto by the attorney General in behalf  
of the state has been filed in the supreme  
court against said Newick to require by  
what right he assumes to exercise the  
duties of an alderman.

Alderman Tilton then called for his  
resolution which he had introduced at a  
previous meeting and which had been in-  
terrupted by the serving of the adjourn-  
ment.

Ald. Wallace offered as an amendment  
that the Portsmouth horse railroad furnish  
a bond of \$50,000 against liability of  
city from any accident. Lost by a vote of  
5 to 4.

Ald. Wallace then offered another  
amendment which was also lost by the  
same vote.

Ald. Vaughan then handed in an  
amendment that the road give a bond of  
\$50,000 to build the road to satisfaction  
of mayor and aldermen. Lost 5 to 4.

Ald. Tilton's resolution then came up  
and was passed by a vote of 7 to 1. Ald.  
Wallace alone voting nay.

**MANCHESTER ELKS ENTERTAIN**

Grand Event in History of Elks.  
52 Candidates Initiated

One of the grandest events in the history  
of the Benevolent and Protective  
Order of Elks in the Granite State, was  
celebrated at Manchester last evening  
when the lodge there initiated 52 candi-  
dates and dedicated their new and mag-  
nificently furnished hall.

The dedicatory exercises were per-  
formed by District Deputy Grand Exalted  
Ruler Herbert E. Dow of Portsmouth,  
who was assisted by Past Deputy True  
W. Priest of Portsmouth, Exalted Ruler  
Fernand W. Harford of Portsmouth  
Exalted Ruler Mitchell of Lowell  
Exalted Ruler Warren Har-  
vey of Manchester, who acted as squire,  
and W. H. Bennett, grand chaplain.

At the conclusion of the exercises, Sam-  
uel B. Page of Woodsville, for more than  
a quarter-century a member of the New  
Hampshire Legislature, delivered an ad-  
dress congratulatory to Manchester Elk-  
dom.

The following were present from this  
city: District Deputy H. B. Dow, P. E. R.  
True W. Priest, E. R. F. W. Hartford, E. P.  
Lawrence, C. E. Bernard, W. H. Hill, V. A.  
Holt, W. J. Campbell, Robert Kirkpatrick  
and W. E. Littlefield.

**Jack and the Beanstalk**

"Home Again" is the announcement at  
the Boston Museum, for beginning next  
week that wonderfully successful extra-  
vaganzas, "The Strange Adventures of Jack  
and the Beanstalk," begins another en-  
gagement at that theatre. "Jack" will  
be welcomed back to Boston with open  
arms. His return has been looked for-  
ward to with delightful anticipation for  
several weeks, and with the first an-  
nouncement that he would again be seen  
in place of his birth, a demand at once  
set in for seats.

The indications are that on the opening  
of the engagement the sale will be the  
largest in the history of the theatre. The  
cast will contain all the former favorites  
including Madge Lessing, M. de Collins,  
Carrie Perkins, Nellie Lynch, George  
Dennin, Hubert Wilke, Ross Snow, Walter  
Allen, Harry Kelley, H. M. Morse, Dan  
Baker and others.

**Rice's Comedians**

Rice's Comedians will open at Music  
hall next Monday for a week's engage-  
ment, giving a very strong repertoire of  
plays. The bill will be changed nightly,  
producing seven pieces during the week,  
and changing their list of specialties at  
every performance. The Lowell Courier  
says: Rice's Comedians opened their  
week's engagement here last night at the  
opera house to a packed but well pleased  
audience. The company is a strong and  
evenly balanced one, and the dramatic  
work of the entire company was excellent.  
The specialties were many, and of a high  
order, clean and wholesome. The dis-  
cussion and scenery were in keeping with  
the piece. The dramatic situations are very  
strong, the story is a good one well told,  
and the comedy excellent from start to  
finish.

## GOSSIP ABOUT TOWN

Interesting Paragraphs Written for  
Saturday Night Reading

The politicians are bucking down to  
business and for the next week will do  
lots of hustling.

Senator W. E. Chandler has taken over  
the dry dock situation with a number  
of prominent citizens during his stay here.  
He is enthusiastic over a dock here but  
he is that it is doubtful if more than  
one dock is built on this coast.

This city is right in the midst of a hot  
election struggle and there is every indi-  
cation that both political parties are nomi-  
nating men thoroughly in favor of an  
electric railroad. The HERALD has ad-  
vanced the nominating of good men for the  
government of the city, and so far the  
nominations have all been good.

Of the visitors here from the state cap-  
itol the past week none has a larger num-  
ber of warm personal friends than Gen-  
eral F. S. Streeter of Concord. He is one  
of the brightest lawyers in the state and is  
of the type of man that one feels dis-  
lighted to meet. It looked like old times  
at the Rockingham with the offices filed  
with New Hampshire's prominent men  
talking over the affairs of the state and  
nation and none were more interesting  
than General Streeter.

If anyone thought the electric railroad  
excitement was quieting down in this city,  
they made the mistake of their lives. It  
can now be said that the excitement is at  
fever heat, and while things were appar-  
ently quiet on the outside there has been  
some tall hustling going on all around.  
Every citizen will hope that the contest  
will be speedily settled so that the road  
can be constructed for use the coming  
summer. The HERALD hopes to see a  
road in operation here by July 1st and  
will welcome an early settlement of the  
legal struggle.

**New York Favors Portsmouth.**

It is especially pleasing to see both the  
Army and Naval Journal and the New  
York Advertiser favoring Portsmouth in  
preference to Boston for a dry dock. The  
following from the New York Commer-  
cial Advertiser is one of the strongest en-  
dorsements yet given:

"The place for a dry dock, if one is to  
be built on the North Atlantic coast, is  
Portsmouth, where the United States has  
a navy yard already, and where there is a  
sixty-foot channel. Our heaviest battle-  
ships could always enter and leave the  
Portsmouth yard in perfect security  
grounding, which is more than can  
be said of Boston.

"The Portsmouth navy yard is as mod-  
ern and efficient as that at Boston, which  
is not saying much, and if the government  
built a dry dock there it would never  
have to dredge out a channel to enable  
ships to reach it."

To the above may be added that the  
yard here is larger and better equipped  
than the Boston yard.

**Navy Yard Order No. 63.**

NAVY DEPARTMENT, Jan. 24, 1898.

AMENDMENT TO NAVY YARD ORDER, NO.  
23, REVISED.

Add to paragraph 31, Clause II, the  
following:

Those who have served in the naval or  
military service of the United States since  
the war of the rebellion and have been  
honorably discharged therefrom by reason  
of disability resulting from wounds or  
sickness incurred in the line of duty.

JOHN D. LONG,  
Secretary.

U. S. Civil Service Commission,  
Washington, D. C., Feb. 16, 1898.

Approved:

By direction of the commission.

JOHN R. PROCTOR,  
President.

The above places the applicants in  
class two next to the war veterans.

**Captured in Newburyport**

Word was received by telephone at the  
police station this noon notifying the offi-  
cers here that Tobias Burke, who is want-  
ed in this city for skipping out without  
paying his bills contracted while ill at the  
Cottage hospital, had been captured in  
Newburyport. Marshal Edwistle request-  
ed the officers to hold the man until they  
heard from him or an officer came for  
him. He is an ungrateful wretch and  
should be made an example of.

## KITTERY, ME.

The third annual reunion of the Kittery  
High School Alumni association was held  
in Wentworth's hall last evening, and was  
largely attended. The hall was decorated  
for the occasion, and with the youth and  
beauty of the town assembled there pre-  
sented a most beautiful and animated  
sight.

As soon as all had been seated the fol-  
lowing program was carried out:

- 1 Music, Orchestra
- 2 Address, Pres. Rowell
- 3 Reading, C. Elizabeth Paul
- 4 Five Minutes Speeches, Hon. Horace Mitchell, Calvin L. Hayes.

- 5 Singing, Trio
- 6 Remarks, W. C. Carey
- 7 Business.
- 8 Singing, Old Lang Syne, All

**OLD LANG SYNE.**

Should old acquaintance be forgot,  
And never brought to mind;  
Should old acquaintance be forgot,  
And songs of old lang syne,  
For old lang syne we meet tonight,  
For old lang syne;  
To sing the songs our fathers sang,  
In days of old lang syne.

We've passed through many varied scenes  
Since Youth's unclouded day;  
And friends and hopes and happy dreams,  
Time's hand hath swept away.  
And voices that once joined with ours,  
In days of old lang syne,  
Are silent now and bleed no more  
In songs of old lang syne.

At the conclusion of the above program,  
which was listened to with the closest of  
attention, the following officers of the as-  
sociation were chosen to serve the ensuing  
year:

President, F. E. Rowell;  
Vice President, M. A. Damon;  
Secretary, O. N. McIntire;  
Treasurer, O. S. Paul.

Resolutions were read and adopted on  
the deaths of Zina Jackson and Mrs.  
Leona Boulter.

The following was the committee of ar-  
rangements: F. E. Rowell, O. Sumner  
Paul, O. N. McIntire, Mr. and Mrs. C.  
W. Cary, Julia Abrams, Annie M. Peti-  
grew, Althea McIntire, Grace A. Nor-  
ton, Lizzie Berry, Cima M. Latta, George  
H. Marden, Alvah H. Frost, Frank T.  
Clarkson.

The hall was cleared for dancing and  
the grand march was led by Alvah H.  
Frost and Miss Anne Hill, followed by  
about fifty couples. The order called for  
twelve dances and it was long after mid-  
night when the last number was reached  
and the third annual had been brought to  
a most successful close.

The floor was ably managed by the fol-  
lowing:

Floor Director—Alvah H. Frost;  
Assistant—Frank T. Clarkson;  
Aids—Charles Latta, Addison Tobey,  
Joseph Hoeney, Marshall Simson.

## KITTERY POINT.

Mrs. Noah E. Emery is rapidly recov-  
ering from a surgical operation she  
recently underwent for the removal of a  
tumor in her arm.

Mrs. R. H. Billings has joined her  
daughter in Boston.

The young ladies of the Free Baptists  
society gave a very pleasing entertain-  
ment in the vestry of their church on  
Tuesday evening.

Joseph Emery is soon to move his fam-  
ily to York where he has secured employ-  
ment.

The check-list of the voters of the town  
of Kittery is in the hands of the printers  
and will soon be posted. Several new  
names will appear and several who have  
removed from the town have been drop-  
ped. This is the first check-list the town  
has had printed for about six years, hence  
the numerous changes.

There is an individual living in this  
place who is mentally unbalanced, and at  
times vicious. When he is in this condi-  
tion he has a great mania for chasing  
young girls and children, and is the ter-  
ror of the place. It is thought by many  
that he should be kept in and not allowed  
to roam the streets, for there is no telling  
when the action might get into his head  
to do something desperate. This is no  
ghost story but a fact and during the past  
week he has been wandering around.

## Navy Yard Notes

The U. S. S. Alliance has been ordered  
made ready for sea by April 1st, and she  
will be ready to go then.

Miss Lizzie Tallman of Richmond, Me.,  
is the guest of Boatswain P. H. Smith  
and wife.

Things are still very quiet here.  
Carpenter Nathan Jenkins, U. S. N.,  
retired, of Kittery, entertained a large  
party of friends on Thursday evening  
with a graphophone concert.

The officers of the yard held a meeting  
today and took up a collection to send to  
the families of the dead sailors of the  
Maime. The funds will be forwarded to  
Washington.

**A Minister's Wife Aptly Describes a Well Known Condition and

There are thousands of people in all  
walks of life, particularly at this sea-  
son, who are "not exactly right" and  
yet are not sick, for whom a single  
bottle of Hood's Sarsaparilla would do  
a world of good, as it has done for  
others. Business and professional men  
as well as the busy housewife are es-  
pecially susceptible to this debilitated  
feeling. It is the peculiar combination  
of the best tonic, anti-bilious, diuretic  
and alterative agents of the vegetable  
kingdom, carefully and scientifically  
combined, which enables Hood's Sar-  
saparilla to reach simple as well as  
serious ailments when all other medi-  
cines fail. Read Mrs. Hunt's letter:

"Dear Sirs:—I trust that the publi-  
cation of my testimonial may serve to intro-  
duce Hood's Sarsaparilla to many who  
need physical improvement, and lead  
them to give it a trial. My husband,

health. "Not sick enough for the bed or  
well enough for the table." In few words,  
He Became Run Down  
each year from constant mental and phys-  
ical action. Hood's Sarsaparilla has re-  
lieved and invigorated him in every in-  
stance. Last month we purchased four  
bottles of the medicine. I took two of  
the bottles, being weak,  
Without Appetite and Vigor.  
After I had used half a bottle of  
Hood's I realized quite an improvement  
and soon felt quite comfortable. I gained  
so much that I recommended Hood's Sar-  
saparilla to my nearest neighbor, who has  
had malarial symptoms. She has also  
taken the medicine and its effect upon her  
for good was almost magic. She has now  
prevailed upon her husband to take it to  
build him up. I have also given Hood's  
Sarsaparilla to my two little girls, one  
nearly 3 years old, who is not strong, con-  
sequently languid, and the other, 15 years  
old, for pimples which indicate bad blood  
and disfigure her complexion. Both have  
been helped by Hood's Sarsaparilla which  
I am glad heartily to recommend." MRS.

HONEST LEADERSHIP.

Floor Leader Dingley Attacked by Mr. Moody.

CHARGED WITH DISCRIMINATING.

Large Appropriation For the Rockland, Me., Harbor.

Washington, Feb. 26.—Representative Dingley of Maine had an uncomfortable hour during the session of the house Friday, due to very direct insinuations that, whereas he posed as a believer in the most rigid economy, he was not above using his influence as a leader for the benefit of his district while opposing similar efforts when put forth by his colleagues.

Mr. Moody of Massachusetts opened the attack during the consideration of the sundry civil bill by uttering a protest against some of the members of the house getting out of the way in the bill, while others were to be exposed to the economy which was to be imposed upon the country. He believed the bill should contain only appropriations to meet money due or to be due under contracts and adjusted to favor them. Only a few weeks ago, said he, the coast of Massachusetts had been strewn with wrecks, and many lives had been lost. The improvement which should have been provided for Boston harbor might have prevented part of this loss. He refused to stand on the floor and submit to the suppression of the river and harbor bill.

At this point Mr. Moody created a sensation by directing his batteries upon the appropriation of \$500,000 carried in the bill for the Rockland, Me., harbor. As Rockland is in the district of Mr. Dingley, the members realized immediately that Mr. Moody was making a thinly veiled attack upon the Republican floor leader. With great sarcasm he called attention to this vast appropriation for an insignificant harbor on the Maine coast. The village and harbor, he said, could be improved in the harbor of Boston. Until last year the maximum appropriation for Rockland had been \$10,000. Suddenly last year the work had been placed under the contract system, and \$500,000 had been appropriated. He read from the hearings before the appropriations committee to show that only about \$100,000 of the appropriation of last year had been expended.

Mr. Dingley (top) (Nob.)—"Whose district is the Rockland?"

Mr. Moody waving his hands: "I do not care to state, but we all know." (Great laughter on the Democratic side.)

Mr. Moody declared that if appropriations for harbors in proportion to their importance were provided in this bill in the scale of this appropriation for Rockland, there would not be a dollar of the money left. "I am ready to submit," he declared with great vehemence, "to a scheme of rigid economy if such is necessary and to submit to honest and sane cuts for one purpose or for another, but not for one purpose or for another such discrimination." In reply Mr. Dingley gave notice that he would ask the vote to strike out this appropriation.

Mr. Grover (top) (top) expressed his amazement at the magnitude of the appropriation for Rockland and the circumstances. He had not lost the practice of the house to appropriate for works for which contracts had not been actually let, and he denounced the way proposed in the bill as ruinous. That and other items in the sundry bill should be struck out and all members should be on an equality. The congressman warned the members that if they permitted the sundry bill to become a river and harbor bill by indirectness, all hope of economy on river and harbor bills would be lost.

Mr. Cannon defended the bill and declared that the river and harbor items in it had been introduced with more care than any since the contract system had been inaugurated. Personally he did not champion river and harbor bills, and did not want to be held responsible for them. The gentleman from Ohio had always been an ardent advocate of river and harbor bills, and had been instrumental in passing some of the largest bills ever passed.

"They were always fair," interrupted Mr. Grover.

"Some of the most vicious bills ever reported," replied Mr. Cannon, "came from the river and harbor committee while the gentleman was a member of it. From 25 to 35 percent of the money carried was worse than thrown away. Yet the gentleman attacked me for bringing in a bill providing for expenditure of money upon projects I never approved. I can read right on the lines. I can read the show on the floor and know where it pinches. If all these appropriations are stricken out I will say 'Amen.' Will he?" (Great laughter.)

"My congressional district is not asking for a dollar," interposed Mr. Grover.

Mr. Cannon: "You have got it all in," returned Mr. Cannon.

"There never was a dollar spent in my district."

Mr. Dingley then took the floor. He displayed considerable feeling in replying to the insinuations of Mr. Moody. He explained first that the appropriation for Rockland was not important. The improvement contemplated the erection of a breakwater and the construction of a harbor of refuge, precisely such a harbor of refuge as is contemplated at Sandy Bay, in the gentleman's own district," said Mr. Dingley. ### WARD CAUCUSES

Republicans and Democrats Choose Tickets for coming Election  
There was quite a crowd present in ward one last evening at the Republican caucus held there, attracted no doubt at the rumor that there was liable to be a fight. Nothing could have been more peaceful however, and the following ticket was nominated by acclamation:  
Aldermen, A. S. Brown, A. C. Hoyt; Councilmen, Albert H. Eastwistle, Valentine A. Herr, Fred L. Martin, Albert M. Pray;  
Assessors of Taxes, Joseph W. Marden, Thomas R. Martin;  
Overseer of the Poor, Charles E. Hodgdon.

The Republican caucus in ward two was quite largely attended and the business transacted in less than five minutes. The following ticket was nominated by acclamation:  
Aldermen, John K. Bates, James A. Burdick, Harry B. Yaton.  
Councilmen, Edward Bewley, Edward S. Downs, Charles K. Oxford, Charles L. Whitehouse, Willie F. Weeks, Burpee Wool;  
Assessors of Taxes, M. Wentworth Ayers, Lewis G. Davis, Warren P. Webster;  
Overseer of Poor, Charles P. Abbott.

A vote of thanks was extended the retiring aldermen, all of whom had declined a re-nomination.

Mr. John K. Bates offered the following resolution, which was adopted by unanimous vote:  
Resolved, That it is the opinion of the republicans of ward two that their candidates for aldermen, if elected, do all in their power to forward the construction of an electric road in this city by the Portsmouth Horse Railroad Co., approved by the majority of the present board of aldermen.

The democrats of ward three held their caucus on Friday night and the following ticket was nominated to be supported at the coming election:  
Aldermen, George A. Jackson;  
Councilmen, George W. Wilson, Wm. Casey;  
Assessors of Taxes, Harry J. Freeman;  
Overseer of the Poor, Wm. Cogan.

### Judge Emery Declines

EDITOR HERALD: I desire to refute all questions as to my being the republican candidate for mayor at this election, by saying through your paper that I cannot be and will not be a candidate.

Being counsel for the Horse Railroad company, if I was elected mayor I should have to cease being counsel and I for her could not act as mayor in any matters relating to the railroad. This decision must be taken as final and absolute. I would not accept if elected, because in case of sickness or absence of an alderman and the happening of a tie vote on the railroad matter, the mayor's casting vote would be important.

SAMUEL W. EMERY

### Refused to Go

Police officer Eugene Estes of station six South Boston was in town today to try and induce John A. Dubail, a prisoner in the county jail in this city, to accompany him back to Boston without requisition papers. It will be remembered Dubail was given a four month's sentence in the Portsmouth jail by the supreme court last October and his time is up today. He was convicted of stealing a set of barber tools from the shop of George Leonard. He is now wanted for a similar offense in Boston. He refused point blank to accompany the officer back to Massachusetts without the necessary papers and so he will be held in this city until the officer returns to Boston and the authorities there can get the requisition papers made out.
